The League of Women Voters of Miami-Dade Wants You!

The League of Women Voters has stood for good government for ninety years – no individual can take your place in helping us make democracy work. Since 1920, the League has worked at local, state and national levels to generate democratic conversation among members, educate the general public and policy makers on pressing issues, and take concerted action to bring about social change.

- The League of Women Voters is the most trusted not for profit organization in America. As such, League chapters are often called upon to convene community issue forums as well as host candidate debates.
The League is nonpartisan; we do not support or oppose candidates.
The League registers and mobilizes people to vote.
The League of Women Voters of Miami-Dade County is one of 30 local Leagues functioning in all of Florida's 67 most populous counties, and one of 900 local Leagues nationwide.

"No chance, no destiny, no fate can circumvent or hinder or control the firm resolve of a determined soul." Carrie Chapman Catt, founder of the League of Women Voters
